Mr. and Mrs. Alfred Dewey tell us they heard a few paragraphs from the "Square" read during a noon broadcast over KFI a Sunday or two ago—the story about Bette Burr and a cat named "Snooper." We've made Ralph Story's early morning broadcasts over Hollywood CBS radio, KNX—which makes us feel right pert—but when the Deweys and NBC give us a pat on the same day we get a little giddy.

Mrs. Dewey, better known as Sally to so many, is the one, not too incidentally, who tipped us about the fire three weeks ago when one man and three acres burned to ashes in the Sierra Madre Canyon. She telephoned our office when she saw the blaze from her Marlborough Terrace home, and was asking if we had heard the fire horn, when the alarm's blast rocked the News office.

That's how we had the head-start that gave Pete Ward, News owner and publisher, the opportunity for the fine pictures he took. With Sally acting as "correspondent" on the scene, we knew it was big!

After all, we never could have told the size of the fire merely by the sound of the horn!

Picking up a News telephone receiver April 1, we heard a soft, southern voice ask: "Is this one, nine, five, three?" To which we said no, seeing as how our number is 3324—Custer 5, that is.

But when the voice turned to laughter we realized that it was, and still is, 1953 — and that we were experiencing our one and only "April Fool" joke. Somebody—a mighty purty gal from Tennessee—was getting even with us for having once named her "The Sweetheart of City Hall."

But what's wrong with that? Practically every organization these days has a "Queen This" or "Queen That." Have we overlooked City Hall in EVERYTHING?

Mrs. W. H. Hillard of our Hastings Ranch neighborhood tells us of the Pasadena minister who greeted his Easter congregation last Sunday with the remark: "It's good to greet so many of you on this beautiful Christmas morning."

The mistake, we think, is understandable. Reminds us of the story they tell about Rev. W. W. Catherwood, the minister who addressed his audience from the pulpit of the First Baptist Church in Riverside several Easters ago.

"Considering that it will be so long before I see most of you again, allow me to wish you a very Merry Christmas!"

What is the New School Bond Issue All About...?

One of the most important school issues in the history of Sierra Madre will be presented for voters' consideration May 5, the date set for the \$242,000 school bond election.

Because the News believes the public should hear what the City School Board of Trustees has to say on the matter, it is offering a series of articles, released by the Board of Trustees, to be printed each week between now and election time.

This is the second part in the series.

As school population pressure was again felt in 1949-50, plans were again made for a small and immediate building program on the present site of 5.2 acres. This bond election was for \$86,000 which was to purchase additional land, build classrooms and buy needed playground equipment.

In order to allow additional buildings and to provide playground space on this site, commitments were made, to the State Division of School House Planning, to purchase an additional two acres of land in four parcels; three 50-foot lots on Auburn avenue and the Davis property on Grandview

Skutt Gives School Tax Information

Presents Figures for Voters' Consideration

Tentative plans for financing the \$242,000 school bond issue have been released by Charles A. Skutt, superintendent of schools.

The bond issue for the new elementary school is to be presented to the voters on May 5 at a special election.

Skutt said that even though bond interest rates are rising, it is expected that the interest rate on this bond issue will not exceed three per cent.

Skutt went on to explain that present plans are for the redemption of the bonds at the rate of \$12,000 per year over a 20-year period, with the extra \$2000 to be redeemed in the latter part of the schedule. The amount due at the end of the first year to cover redemption and interest charges would amount to \$19,260.

"With the present assessed valuation of the Sierra Madre City School District of \$9,500,000, this charge could be met by a 20-cent tax rate increase," Skutt says. "For example, a home assessed at \$3000 would be taxed an additional six dollars annually, or 50 cents a month."

Mr. Skutt continued, "It will be of interest to the taxpayer to note that the bonds for the existing large school building will be completely redeemed in 1958. Since these bonds are being paid off by a tax rate of 19 cents per 100 dollars, the total tax rate for school buildings after 1958 will be about the same as it is today."

Paper Drive Continues at \$400 Mark

Approximately \$4000 has been collected from the paper drive that has been proceeding every Saturday from the city lot, under chairmanship of Judge Jack Mead. Funds are to be used for incidental expenses relative to the Sierra Madre Swimming Pool Fund Drive.

Volunteers are needed every Saturday to meet at noon on the lot east of the Woman's Club. Those who have volunteered almost every Saturday include Percy Kortkamp, Verne Eppard, Frank Barber, Judge Mead, Pappy Welch, and co-chairman Sam Simpson. All available papers have not been collected because of lack of help.

This coming Saturday collection of newspapers will be made in the area south of Sierra Madre boulevard, and west of Baldwin to Michillinda. Residents are asked to withhold magazines temporarily.

All boys and girls who help this Saturday from 12 until 2 will receive a free pass to the matinee at the local theater, according to Sam Simpson. Children will ring doorbells but adults will do the heavy lifting. Papers left on curbs will facilitate matters, especially.

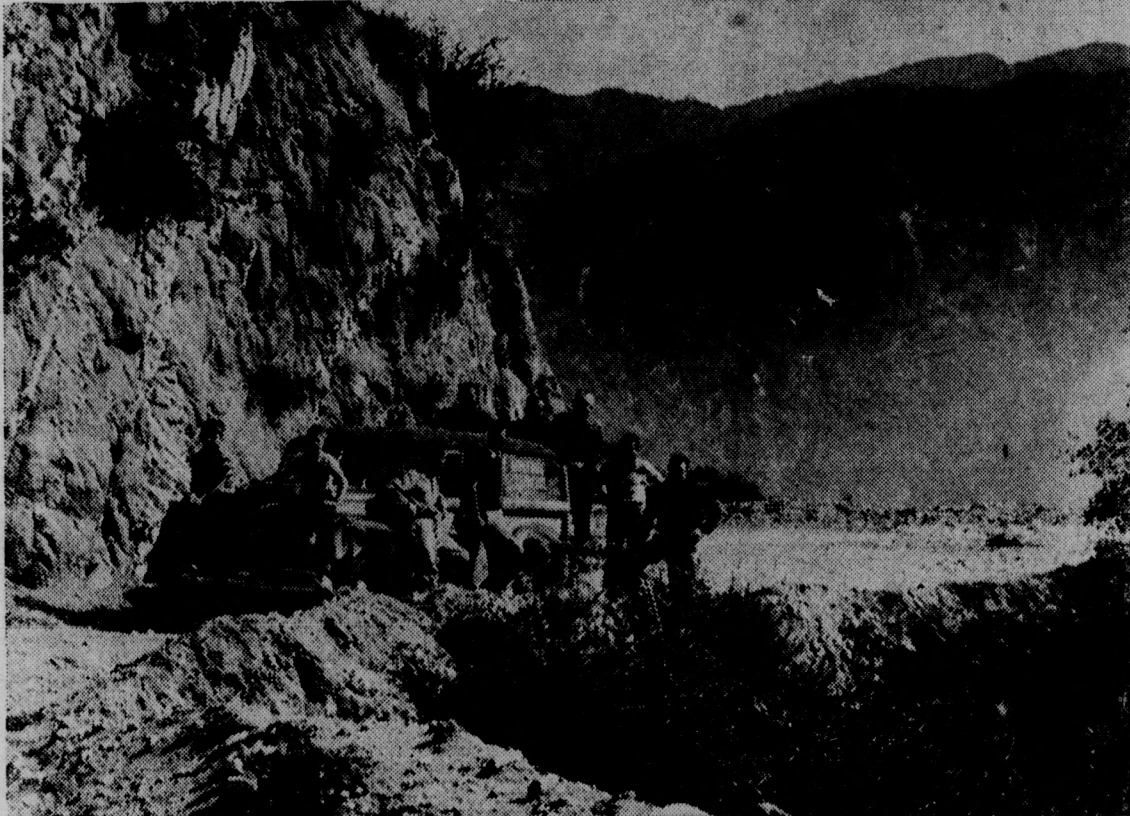

Avenue. This was in line with the minimum requirements of the State for a basic five acres for an elementary school site and an additional one acre for each additional 100 students.

The bond issue was passed, the Auburn avenue lots were purchased, the Davis property has just been purchased after long negotiation, the four classrooms were built and are in their second year of use.

During the 12 months elapsed time between the bond issue decision and the actual letting of bids for the new unit, the cost of building had such a rapid increase that additional funds were needed. These were supplied by a 30c tax rate increase for the 1951-52 year only. Part of this additional money is now in our reserve fund and will be used to develop the additional land on Auburn avenue and furnish playground equipment there. Another portion of this was used to purchase the Davis property and will demolish the house there. Most of these funds were required to complete payment on the new building.

WHEN MEYER TELEVISION'S "WIRE STRINGING" across public streets was found to be against the law, a tribe of satisfied customers and sympathizers rallied to the Meyer cause, making their appearances at City Council meetings as well as in the mountains to give a hand with the Meyer system of spot antennae and booster stations. This week, however, Ed Meyer, head man of the company, announced that newer developments had brought them a direct signal from Mt. Wilson that could be piped into any home in Sierra Madre, by an antenna erected through the incentive of William E. Bowers, a member of the Planning Commission. Others in the picture are Bill Harriman, Don Scolley, John Basil, Al Fisher, Ben McGee, John and Robert Meyer, with Jim McGee behind the camera.

AN APPEAL TO MOTHERS

All mothers of America are asked by leaders throughout the nation to make sure the Nation's Red Cross quota is met this year, according to word received by Mrs. H. G. Har- graves, publicity chairman of the Fund Drive.

The appeal is based especially on the extra monies needed for the Blood Program, which includes the important Gamma Globulin collections. This is the weapon of 1953 to fight the ever present threat of Polio.

White House Visit Told By Hiestand

Edgar W. Hiestand, Congressman from the 21st district, writes about a visit with President Eisenhower:

"Recently I had the honor and distinct pleasure in breakfasting with the President. To be sure there were a number of other Congressmen present, but we had a chance to discuss with the President a few, though of course not all, of the hot administrative and legislative matters in which we were all interested.

"The President's common sense attitude, down-to-earth good judgment, as well as his superlative pleasing personality, of which we have repeatedly spoken, again were apparent. He is apparently in fine shape, as you know, going to bed early every night, and really doing a job. As we have before mentioned, it is a colossal job, full of difficulties and frustrations. His administrative assistants seem to be taking as much of the pressure as they can.

"Here's a note for the ladies: The decor of the White House is beautiful, no more dark walnut and mahogany — instead much delightful green, blue and lots of white, all in perfect taste. It might be noted that the perfect silver service is marked "President's House" instead of "White House." And Ike doesn't have to buy any more chinaware. Previous Presidents bought plenty."

Classes For Parents to Begin April 13

Members of the Sierra Madre Community Nursery School, and all other interested parents, are invited to a series of parent-education lectures scheduled by the Monrovia-Duarte High School for the evenings of April 13, 20, and 27.

The lectures are co-sponsored by the Parent-Teachers Associations and the San Gabriel Valley Nursery Schools. The

Mayor To Be Guest Of Lions' Club Tonight

As scheduled, the Sierra Madre Lions Club will meet tonight at 7:15 at the Woman's Clubs for dinner and customary festivities. The program committee has arranged for a visit by the mayor, Henry F. Korsmeier, who has promised to speak after dinner on the topic of "City Finances and Other Problems of Small Cities."

Deadline Near For Community Concert Slate

Sierra Madreans who wish to join the Foothill Community Concert Association, through which they may attend all concerts presented by the association and other community concerts throughout the Southland, must contact Mrs. Herbert L. Brown, local chairman, at the Pangborn Realty Company, or her committee members, before the roster is closed Saturday for another year.

Working with Mrs. Brown in taking memberships is a group of prominent citizens including Mrs. Noren Eaton, Mrs. Daniel L. D'Arcy, both members of the association's board of directors; Mr. and Mrs. Charles Skutt, Mr. and Mrs. A. E. Morgan, Mrs. P. R. Woodworth, Mrs. Stanley Fish, Mrs. Ione Ward, Miss Jessie Sprague and Mrs. Hugh Colvin.

Many of these Sierra Madreans were among the 85 members of the Foothill Community Concert Association who attended the annual campaign dinner Monday evening at Pierie's in San Marino, at which time new members were introduced by Mrs. H. B. Woolston, campaign chairman. Later, Mrs. Aurelia Ferguson, West Coast representative of Community Concerts, Inc., an affiliate of Columbia Artists Management of New York, explained the "Organized Audience Plan," by which some of the world's greatest musical and ballet talent has been brought to this area and neighboring communities.

Dues in the association are six dollars for adults and three dollars for students. Concerts at the Monrovia-Duarte High School auditorium this season have included Charles Kullman, Metropolitan opera star; Soprano Dorothy Wareskjold; the newly formed Ballet Russe de Monte Carlo; world re-

NEWELL BARRETT

Barrett Opens Law Office in Hotel Arcade

A new law office has been opened this week by Newell Barrett in the Sierra Madre Hotel arcade at 28 W. Sierra Madre boulevard.

Barrett, a native Pasadenan, has been practicing law since 1947 in Los Angeles. He served more than three years overseas in World War II, beginning with the British Eighth Army in Egypt and Libya during the Western Desert Campaign, and later with the US Naval Reserve in which he became a commanding officer during the Lingayen Gulf and Okinawa invasion.

His education was in Pasadena city schools and at the University of California School of Jurisprudence. He is married to the former Elizabeth Young of Pasadena. The couple live at 3281 Vosburg in Sierra Madre Villa with their three children, April, 7, Toddy, 4, and Lisa, 9 months old.

X-Ray Exams Offered Here April 27-28

The County Health Department's mobile "Chest X-Ray Unit" will be in Sierra Madre April 27 and 28, according to a report from the Los Angeles County Health Department.

The big gray truck will be parked at Kersting Court during those dates from 9 a.m. to 3:30 p.m. the first day, and from 1 to 7 p.m. the second. X-rays are available without appointment during the hours specified to everyone over 15 years of age in this tax sup-

Chief McMillan Tells Need In Fight Against Narcotics

Chief of Police Gordon G. McMillan, speaking at a meeting of the Harter Chapter of the Women's Christian Temperance Union March 26, stressed the need of education in the home as a means of fighting the narcotics problem.

"Law enforcement and education should go hand in hand toward the prevention of the use of narcotics," he said.

He spoke to an interested audience who were informed that the local Police Department had at least one officer who, in addition to his past training, is still receiving class instruction by the County Sheriff's Detail Squad on the detection and apprehension of narcotic addicts and the law-violator, the dope peddler.

Some of the highlights of his speech were:

The number of users of illegal narcotics in the United States is unknown except where addicts have been confined to institutions for assistance in cure.

The contagion factor is very high; users make more users for the reason that narcotics are sold at a terrific price and in order to satisfy his craving for the narcotics he resorts to

Although there has been a change of time for Sierra Madre's "Kick-Off Dinner"—from 8 p.m. to 7—there has been no change in the community spirit motivating the variety of entertainment that will be offered the \$10-per-plate customers, April 11 at the Pasadena Athletic Club, according to Mayor Henry F. Korsmeier, who is acting as dinner chairman for the big event.

Wives of City Councilmen are working on the dinner arrangements, and Lorne Pratt, who managed the recent Wistaria Vine Festival, will contribute to the entertainment, assisted by the Wistaria princesses, Phyllis Besocke, Jane Lange, Barbara Wilson, and Penny Bell.

"Dinner Queen" will be selected through the votes of persons, or organizations, selling the most tickets to the affair that is being staged on behalf of the Swimming Pool Fund.

Candidates for queen are Mrs. Lucille Travis and Mrs. Robert Buttane. Most civic groups are selling the tickets, but for those who cannot contact them tickets may be obtained at City Hall, or through Ticket Chairman Clem Pearce at Custer 5-0340.

The "Dinner Queen" will receive accommodations for two at the St. Catherine Hotel on Santa Catalina Island for one

600 Students Share Holiday Program Here

The Easter holiday recreation program at City School, from March 30 through April 3, was shared by approximately 600 pupils in grades ranging from the second through the sixth.

One of the highlights of the five-day program was the track meet, in which Philip Mitchell, Sierra Madre's recreation director, found reason to praise the sportsmanship of the students in all classes.

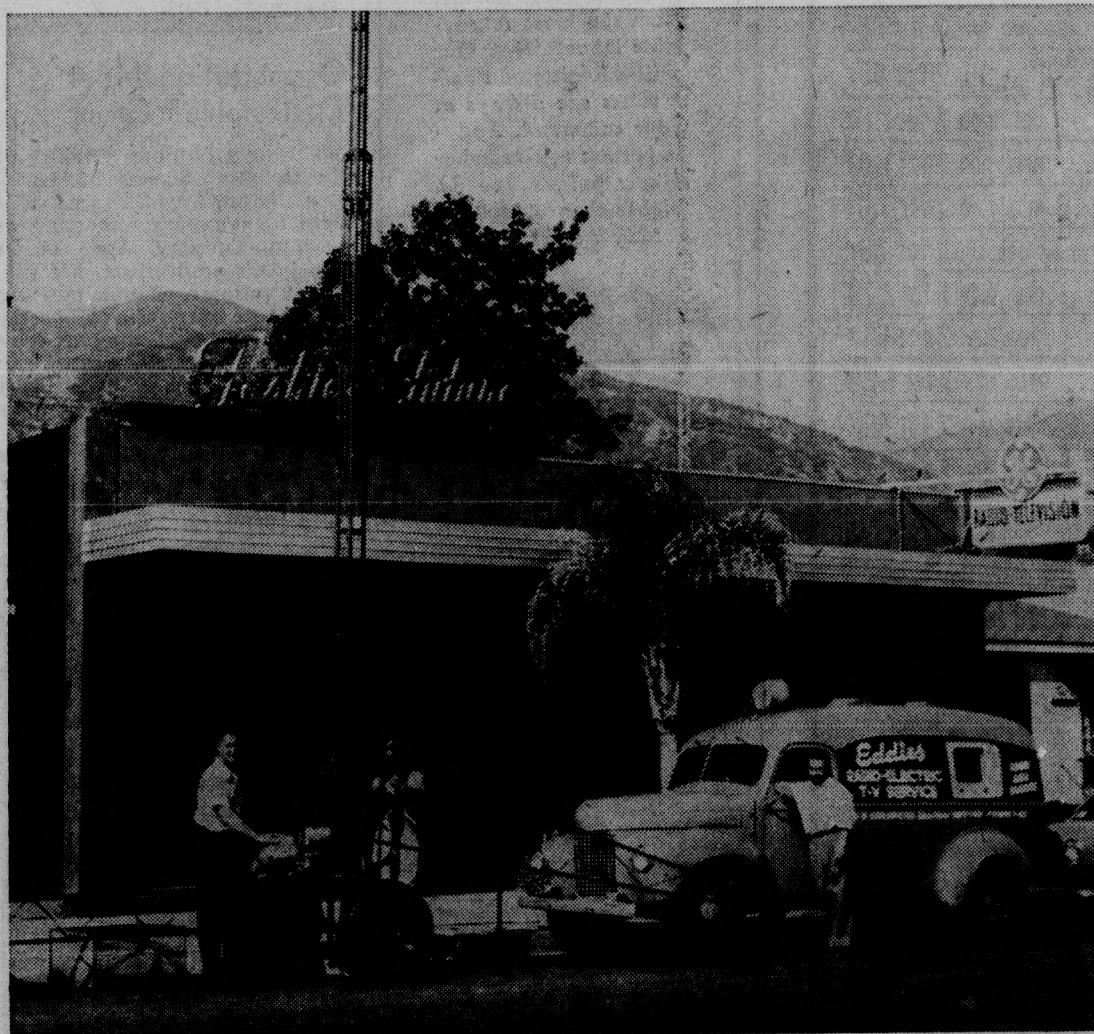

Special mention went to two boys; Frank Purcell, who helped his relay team win second place even though he is only six years old, and Steve Straten, who was left behind in the start of the hurdle finals, but, instead of giving up, ran all the harder and almost finished second.

First place winners in the classified groups, were: Sprints—Ronald Lauder, John Harfman, Arthur Bettencourt, Gary Pickett, Dennis Harfman, and Marc Yasskin.

Hop-step broadjump—Ricky Wittit, Arthur Bettencourt, Gordon Gregor, Gary Pickett, Gary Cass and Ronnie Franzer, tie, and Beran Cutler.

ONE OF THE MOST PROMINENT RESEARCHERS in television reception within the Sierra Madre area has been Edward Sonnenfeld, shown at the far right, who has made four surveys throughout the vicinity with TV mobile test units assisted by engineers of International Telemeter Corporation, Ted Lucas Jr., and Dave Loew Jr. The latter are shown by the trailer-antenna which, they say, has helped them find the only locations that can be put to practical use, either singly or in combination, for a successful "Master Antenna" system here. Sonnenfeld—the "Eddie" of "Eddie's TV and Radio Service"—says that, under the Telemeter franchise, television hook-ups would be made available to all local dealers, thus ridding the city and TV fans from the necessity of further "wire stringing."

Emblem Club Hears Convention Report

The new president, Mrs. Christine Smith, reported on a recent state convention and the drill team appeared in new uniforms and with a new mascot, as highlights of the April meeting of Monrovia Emblem Club No. 71.

Mrs. Smith told members of the State Emblem Club convention in mid-March at Coronado Beach and told of the election of a Monrovia club member, Mrs. Florence Phillips, as fourth vice-president of the state organization. Wendell Phillips was presented a gift of appreciation for his work with the drill team.

Mrs. Gertrude Morse and Sierra Madre members were hostesses during the social period which followed the April 2 meeting. Mrs. Sue Krinke of Sierra Madre, a pianist, and Mrs. Cecil Peterson of Monrovia, organist, appeared on the program in a duet.

The next meeting of the club and initiation of new members are scheduled for 8 p.m. May 7 in the Elks clubhouse in Monrovia.

Foothill Women's Division Presents Fund-Raising Comedy

The Women's Division of the Foothill Jewish Community Center in Sierra Madre will present its Annual Night with the Ladies on Saturday, April 11.

This year's program offers a melodrama entitled "Snatched From a Cruel, Cruel Fate," starring Mrs. Paul Grossman and an all-star cast with an outstanding comedy bit by Mrs. Al DeHaan. Mrs. Wilton Heifetz will provide musical accompaniment.

A complete spaghetti dinner will be served from 7 to 9 p.m. Proceeds from this annual affair will be used to defray the expenses of running the Sunday School.

Further information may be secured from Mrs. Alice Glaser, CU. 5-3041, or Mrs. Bertha Alpert, CU. 5-1427.

Earle Andersons Have Heavy Easter Schedule

Mr. and Mrs. Earle Anderson, 354 N. Lima, who are known in local and Pasadena music circles, had a busy schedule for the Easter weekend.

Mr. Anderson, a tenor, was a soloist in the Good Friday presentation of the famous oratorio, "The Seven Last Words," in the Congregational Church. Mrs. Anderson, a soprano, sang with the choir.

On Sunday both sang as guests at morning services in Breese Avenue Nazarene Church in Pasadena and that evening they sang in the Bell Friends Church.

Mr. Anderson is instructor of music at the Pasadena Nazarene College. Welcome to the Andersons' many friends and neighbors in Sierra Madre is the news that the family has changed its plans about moving to Pasadena. The move was so nearly definite earlier this year that the Andersons were given a large surprise farewell party.

LESSON CHALLENGES REALITY OF DISEASE AND DEATH

"In the way of righteousness is life; and in the pathway thereof there is no death." This declaration from Proverbs (12: 28) is the Golden Text of the Sunday lesson-sermon in all Christian Science Churches. "Are Sin, Disease, and Death Real?" is the subject.

A selection from the Gospel of Matthew (9:24,25) tells how Jesus demonstrated the power of the Word in raising from death the daughter of Jairus. When He came to the ruler's house, "He said unto them, Give place: for the maid is not dead, but sleepeth. And they laughed Him to scorn. But when the people were put forth, He went in, and took her by the hand, and she arose."

"Jesus proved the Principle, which heals the sick and casts out error, to be divine," declares Mary Baker Eddy in "Science and Health with Key to the Scriptures." Again she says, "Sin, sickness and death must disappear to give place to the facts which belong to immortal man." (pp. 473, 476.)

FIRST BAPTIST TO ORGANIZE CLUB FOR YOUNG MOTHERS

The first meeting of the First Baptist Young Mothers' Club will be held at 7:30 p.m. April 16 in the home of Mrs. Jessie Rhodes, 182 W. Highland. All young mothers in the area have been invited to attend.

The club, according to the pastor, Rev. Roy Reed Gibbs, is to be a permanent service of the church. Mrs. H. A. Schwab, active in visitation and counseling for a large Pasadena church, will direct the meetings.

Spiritual needs of small children and behavior problems will be discussed, as well as other subjects of interest and benefit to young mothers. Time will be allowed for a panel discussion at each meeting and members and visitors.

Celebrate Christening Of Meursing's Son

Mr. and Mrs. John A. Meursing, 440 Foothill, were hosts at a family dinner Saturday following the christening of their son, Charles John, by Rev. Harley G. Smith at the Church of the Ascension.

The Meursings planned the christening to coincide with the homecoming of Lieutenant-Commander Charles T. Wood, Jr., of Sierra Madre, who last month arrived in the United States after a tour of sea duty. He is one of the baby's godfathers. Also godparents are Mr. and Mrs. John D. Homm of Arcadia.

Guests at the christening and dinner celebration were Lt. Comdr. and Mrs. Wood, Mr. and Mrs. Homm and Mr. and Mrs. John H. Meursing, grandparents, and Mr. and Mrs. Peter D. Meursing, an uncle and aunt. The latter two couples are from Huntington Park.

Organization Meet Of Delphian Group

The Beta Lambda Chapter of the Delphian Society of the Sierra Madre-Arcadia area will hold its organizing meeting at 10 a.m. Tuesday, April 14, in Hinshaw's auditorium, Arcadia. The purpose of this meeting will be for members to become acquainted, elect an executive officer and select volunteers to open the discussion at the first regular meeting a fortnight later.

The first meeting and the one following will be conducted by Miss Frances Neil of Duarte, field secretary.

Hesse Warns Against Post Easter Slump

Stating that the vitality of the Christian Church today must be judged by its after-Easter congregations, Rev. A. Hesse, pastor of Sierra Madre's Faith Lutheran Church, has appealed to church-goers and the clergy to guard against a post-Easter letdown.

Rev. Hesse, in a statement Monday, referred to the satisfaction of addressing capacity audiences on Easter Sunday and said:

"In our 20th century it is Easter which fills the churches. It was not so in the first century. It was the resurrection of Jesus Christ which brought worshippers together in ever-increasing numbers. The size, growth and vitality of the Christian Church must be judged by the after-Easter audience. It is this audience which demonstrates the power and effect of the great Easter message."

The pastor has chosen for his sermon for the 10:30 a.m. worship service of his church Sunday the subject, "What About Your Last Enemy—Death?"

"The Ascension of Christ" will be the subject to be studied in the Sunday School departments this coming Sunday. Film-strips depicting the Biblical narrative will be shown to the pupils.

Meetings and services of Faith Lutheran Church are being held temporarily in the Woman's Clubhouse.

MISSION AID GROUP TO HELP FURNISH NEW PARISH HALL

Today at 12:30, the Ladies' Mission Aid of Faith Lutheran Church will meet in the dining room of the Woman's Clubhouse. The dessert luncheon will be served by the Mimes. Sarah Opah, J. C. Richter and Fred Rick. Various proposals regarding furnishings for the new parish hall and temporary chapel, now under construction at 835 Hastings Ranch drive, will be considered.

Plan Choral Group

The ladies of the parish are making efforts to organize a Ladies' Choral Group to participate in dedication rites of the new building some time next month. Rehearsal will be held tonight at 8 o'clock at the home of Miss Lillian Bollinger, 1395 Hastings Ranch drive.

Bethany Mothers To Study Child Psychology Tonight

The Mothers' Club of Bethany Church will meet at 8 o'clock tonight for a two-part program in the home of Mrs. J. V. Maule, 67 W. Laurel.

The first portion of the program will be devoted to a discussion of child psychology and the second portion to Bible study, both conducted by Mrs. Naomi Johnston of Pasadena, club teacher. The club and its study meetings are open to all Sierra Madreans, regardless of church affiliations.

Refreshments will be served tonight by the hostess for the evening, Mrs. Len Palin.

Sermon Titles Announced For Sunday

Rev. Roy Reed Gibbs, pastor of First Baptist Church, left Monday for a short period of rest after becoming ill. The brief respite was advised by the pastor's physician. The Deaconate board reports, however, that Rev. Gibbs will be back in the pulpit next Sunday when he will deliver two sermons.

At the 11 a.m. service he will preach on the subject, "Reaching Out for Jesus," and his evening message will be on "Making Light of Sin."

These messages, combined with special music by the Gospel Choraleers, will constitute the two services.

An all-day meeting of the Women's Missionary Society of the church is in progress today and a pot luck fellowship supper tonight in the church at 49 S. Baldwin make today a busy one for its members.

Those attending the supper tonight, which is open to the public, are asked to take either a hot dish, a salad or a dessert in addition to their own cutlery and china. This plan, the sponsors explain, does away with dishwashing later and allows more time for the program.

Selection of officers and committees for the year will be an important part of today's meeting of the Women's Missionary Society.

The business session was scheduled for 10 a.m., luncheon will be served at noon, and a missionary program will begin at 1:30 and features a guest speaker.

Archeology Professor to Address AAUW On Current Developments in Near East

The regular meeting of the Arcadia Branch of the American Association of University Women, which has a number of Sierra Madre members, will be held at 8 p.m. Monday, April 13, at the American Lutheran Church, 1424 S. Baldwin, Arcadia.

The program for that night has been planned by the Social Studies section, of which Mrs. Robert McMasters is chairman. The speaker will be Dr. Silva Lake, professor of archeology, religion and philosophy at Occidental College. Her subject will be "Moslem, Christian and Jew in the Near East Today."

Dr. Lake will discuss contemporary developments in Turkey, Israel, Iran and Egypt and their relationship to the United States. The speaker's qualifications include many years of archeological study and research in Egypt, Palestine and Turkey where her scientific excavations and research work was sponsored successively by the Universities of Pennsylvania, Brown and Harvard.

Besides her work at Occidental, Dr. Lake is currently conducting a series of lectures for the Bell Telephone Company and is in demand as a speaker for business and professional organizations.

She also is the only woman member of an international committee engaged in compiling a Greek New Testament which will take 30 more years to complete.

A musical interlude at the meeting will be provided by Mrs. Noel Bryant, soloist, accompanied by Mrs. Felix Omelich.

Mrs. Richard Winslow is chairman of the hostess committee.

Don Barrett Aboard Carrier "Midway" in Mediterranean Test

Donald L. Barrett, machinist mate first class, USN, was aboard the attack carrier USS Midway when it engaged in "Operation Rendezvous" in the Mediterranean Sea from March 17 to 25. He is the son of Mr. and Mrs. George McCullough, 490 East Highland, and the husband of Mrs. Lois D. Barrett of Norfolk, Va.

"Operation Rendezvous" was a NATO maneuver designed to maintain a standard of readiness and battle efficiency of General Ridgeway's European Defense Forces. Naval forces of France, Greece, Italy, Turkey, the United Kingdom, and the United States participated in the operation.

Sierra Madre Republicans Write to 'Ike'

Harold Roberts, president of the Sierra Madre Republicans, acting on request of fellow members, has written letters to President Eisenhower, Vice-President Richard Nixon, Congressman Edgar W. Hiestand, Senator William F. Knowland, and Frank Lanterman of the California State Legislature.

Roberts' letters began with congratulations, then expressed an awareness of the problems faced by each of them, along with confidence that they would discharge their duties with knowledge and talent.

"Even as you have a responsibility to discharge to us, so also we have acquired a responsibility toward you," Roberts wrote. "Therefore we have pledged ourselves to maintain a close, somewhat personal and entirely analytical contact with all our elected representatives, giving sober praise as it is due and offering just criticism as it is deserved."

In all instances, Roberts received quick replies of appreciation. President Eisenhower expressed "great pleasure and inspiration" from the letter sent on behalf of the Sierra Madre Republicans.

SIERRA MADRE NEWS—3

Colbert New Commander Of Local VFW

VFW elections last month at the Old Adobe headquarters, 37 West Montecito, named Eugene "Beans" Colbert as the new commander to be installed April 16 in ceremonies beginning at 8 p.m. at the Masonic Temple. Colbert's corps of officers are as follows:

William D. Marsh, senior vice commander; George A. Robbins, junior vice commander; Robert Bettencourt, quartermaster; Arthur Connors, chaplain; Albert Foxton, two-year trustee; Lawrence McGinnis, three-year trustee; and Manuel de la Torre, post advocate.

Other plans on the April agenda of VFW included the "Spring Dance" at the Old Adobe the evening of April 11. Evan S. Dennis, chairman of the House Committee, is in charge of arrangements for the party to which members may bring guests.

260 "Stamp Guessers" Enter LaLone Contest

The "Green Stamp Guessing Contest," sponsored by LaLone Cleaners, received more than 260 entries by persons who attempted to guess the number of stamps in a bowl.

The gift of \$50 worth of S & H stamps went to John Krutich, 435 N. Canon drive, who calculated 842 stamps. The correct number was 837, according to Julian LaLone, proprietor.

Runners-up, who voted for \$50 as the right number, were Betty Klein, 1370 Daverick, Hastings Ranch, Marie Oster, 730 Alta Vista, and Bill Driver, 40 Hacienda, Arcadia. They were awarded with stamps varying in value from \$25 to \$10.

VISITS DAUGHTER IN EAST

Mrs. Sylvia B. Colbert, 609 West Alegria, and her mother, Mrs. A. Braun, left during the weekend for Chicago and Oak Park, Ill. They will visit there with Mr. and Mrs. John D. Buchan.

Mrs. Buchan is the former Jane Colbert of Sierra Madre.

July 11 Nuptials For Miss Griffin, Charles E. Addy

Mr. and Mrs. G. W. Griffin, 667 W. Grandview, are announcing today the engagement of their daughter, Miss Rita Griffin, to Charles E. Addy, son of Mr. and Mrs. Truman Addy, 127 N. Pennsylvania Glendora. The wedding will take place on July 11.

Miss Griffin was born in Pasadena but has been a Sierra Madre resident since infancy. She attended the Sierra Madre Elementary school, Wilson Junior High School, John Muir College and was graduated from Pasadena City College where she majored in music.

Young Mr. Addy, former Army corporal, who was discharged last October, attended Glendora grammar school and Citrus Junior High School and College in Glendora. He is in the inactive Army reserves and is employed by the Day and Night Company in Monrovia.

Miss Griffin is employed by the Broadway Pasadena.

Mr. and Mrs. Hicks Have Interesting Visit in Berkeley

Mr. and Mrs. Allen S. Hicks, 395 Auburn, combined business with a family visit on a recent trip to San Francisco.

Mr. Hicks, an engineer with the Hydral Corporation in Los Angeles, was interested in having a piece of steel pipe tested for strength and other characteristics at the University of California in Berkeley. This involved what Mrs. Hicks, who was a spectator, described as "pulling the pipe apart" by a large machine the university engineering department has for that purpose.

Later Mr. and Mrs. Hicks were guests in the home of Mr. Hicks' brother and sister-in-law, Naval Commander and Mrs. W. W. Hicks who are living in retirement in Berkeley. During their visit the Sierra Madreans had occasion to visit with Admiral and Mrs. Wylie of Berkeley. Admiral Wylie is one of the Navy's retired lighter-than-air personnel and was the only surviving officer of the Akron dirigible disaster, which two enlisted men also survived.

During the visit "Navy talk" prevailed for Mr. Hicks is an Annapolis graduate.

Mrs. Hicks, who has been bedridden for many years, until recently, is known for her outstanding British war relief work in the early days and during the war. She is a New Zealander.

Are you supporting the new pool for your kids?

THE ENGAGEMENT of Yeoman Wynne Cleo Schweppe, above, to Seaman Robert Brousseau of Los Angeles, and plans for their wedding in June were announced last weekend. Since the above picture was taken Yeoman Schweppe, who is stationed at Treasure Island, has received her third stripe and promotion to the rank of Seaman from Seaman Apprentice. Both she and her fiancé will take their Petty Officer, third class, examinations in about six weeks.

The engagement of their daughter, Yeoman Wynne Cleo Schweppe, to Seaman Robert Brousseau of Los Angeles, was announced on Easter Sunday by Mr. and Mrs. Frederick Schweppe, 182 North Lima. Seaman Brousseau is the son of Mrs. Margaret Brousseau of Los Angeles.

An early June wedding is being planned by the couple, both of whom are stationed at Treasure Island in San Francisco doing personnel work at the Navy receiving station.

The bride-elect, a former Wisconsin resident, is a graduate of Wilson Junior High School in East Pasadena, and of Pasadena City College in Pasadena. While in college she majored as an airline stewardess, was a member of Chi-relle sorority and was active in sports.

In July of 1952 she joined the WAVES, taking her basic training at Bainbridge, Md., and attending yeomen's school in San Diego for nine weeks.

Funeral Services for Sarah Jane Nickles

Funeral services were held yesterday for Mrs. Sarah Jane Nickles, who died here last Sunday at the home of her daughter, Mrs. Al Foxton, 322 W. Grandview. Her son-in-law of the same address, Al Foxton, is the owner of Sierra Madre's Chevron Service Station.

Mrs. Nickles, who was born on Prince Edward Island, Canada, 68 years ago, had been a resident in California for more than 50 years, spending most of that time in Pasadena.

Also surviving her are another daughter, Mrs. Lea Catherine Manstrom, and a son, Miles W. Nickles, both of Fullerton. The two grandchildren surviving are the son and daughter of Mr. and Mrs. Foxton, David Allen and Elise Susanne.

Services were conducted by Rev. Stanley Belland of West Hollywood, in the Utter-McKinley Chapel, Pasadena. Interment is at Mt. View Cemetery.

TEN DOLLAR From page 1 week, along with a five-piece matching outfit presented to her at the "Kick-Off Dinner" by Fashion Future.

Dinner guests will include Mr. and Mrs. Richard Figueroa; he is vice-president of the Catalina Swim Suit Corporation which, through Virginia Sayles, is presenting a bathing beauty event with a surprise feature. After dinner entertainment will include dancing to the music of The Four Sharps.

Storkland

A daughter was born Saturday, April 4, in Good Samaritan Hospital, Los Angeles, to Mr. and Mrs. T. M. Randolph Parker, 91 E. Laurel. Mrs. Parker and the baby will remain in the hospital for a total of 10 days.

She has another daughter, Zoe, and Mr. Parker also has a daughter by a previous marriage, making her home in San Francisco.

Mr. and Mrs. Ivan E. Ower, 81 Auburn, have named their new son Arthur Daniel. He was born March 28 in St. Luke hospital weighing six pounds, two ounces. There are two other children in the family, both boys, Edwin LeRoy and Richard Lee, 13 and 11 years of age, respectively.

Their third child, a son, was born March 31 in St. Luke Hospital, Pasadena, to Mr. and Mrs. William Schmidt Jr. The baby has been named Robert Stafford. He has an older brother and sister, Stephen, age six, and Gayle, who is four years of age.

A red-haired daughter, Diane, was born March 23 in St. Luke Hospital to Mr. and Mrs. Morton Bryant, 312 Foothill.

The Bryants have another child, a son, 2-year-old Craig, who returned home Saturday from a visit with his maternal grandmother, Mrs. Robert Wilson of Palm City.

Born to Mr. and Mrs. Kenneth Alden Green, 168 E. Sierra Madre Blvd., a daughter, Patricia Marti, March 31 in St. Luke Hospital. Patricia has two older sisters, Susan, age four, and Nancy, who is two years old.

Dinner Party Marks Mrs. Adam's Birthday

Mr. and Mrs. William Wilcox and Mr. and Mrs. George Burns were co-hosts recently at a small dinner honoring Mrs. C. F. Adam whose birthday was the following day.

After gathering for cocktails in the Ronald Merritt home, 526 N. Lima, guests and the Merritts went on to the Wilcox home, 312 E. Grandview, for dinner and to spend the evening.

The dinner group included Mr. and Mrs. Adam, Mr. and Mrs. Mac A. Cason, the Merritts and the hosts. Stopping in later were Mr. and Mrs. Hugh L. Colvin and Mr. and Mrs. Sewall Clark.

where they cannot possibly go out and get work that they are capable of doing. It is easy for some who are well secured financially to exclaim that they have not had any provide for them.

That is a question that can be answered. We must remember that someone along the line must have paid somehow or some way. Employees of the City are asking residents to consider the question—on the basis of fair play.

In the meantime, let's all do our part in protecting our city from the destruction of fire.

Band Still on Increase, to Set New Dates

The Sierra Madre Concert Band is increasing in volume and number. Newest member is Loris Buccola, of Pasadena, who moved into the tuba position for his debut last Thursday evening in the auditorium of the City School.

Rehearsals will shortly be changed to Wednesday evenings, 7:30, in the school auditorium. Exact date and other band information may be obtained by calling DOuglas 7-4523.

There now are more than 30 musicians in the band. The impetus given by its first public performance at the March 18 P-TA meeting has brought new members each week, but Miss Marie Olivia, director, reports the need of strengthening certain sections.

There are few limitations as to age, and musicians need not be of professional experience. On the other hand, not all musicians are strictly amateur; some have been conductors in other bands.

All musicians in Sierra Madre and nearby communities are invited. Certain instruments are available for loan to experienced players.

Georgiana Bissell Returns to Monrovia

Georgiana Bissell, daughter of Mrs. M. Bissell, 902 Colorado boulevard, Monrovia, recently returned home from a week at Stanford University, where she attended the National Convention of the Athletic Federation for College Women. She acted as chairman of one of the four standing committees of the conference.

Previous to going to Stanford, Georgiana attended the annual Dinner Dance of the new and old student body officers of Whittier College. She was accompanied by Ray Deemer and Dean Richardson and his wife.

After a week's vacation at home with her mother, Georgiana returned to Whittier College to resume her student teaching at Whittier Union High School.

ANNOUNCING "AS YOU LIKE IT" theme of Southern California Spring Flower and Garden Show April 15-19 in Pasadena's Brookside Park are these lovelies: back, (left to right) Georgiana Webster and Waldine Koepfer; (front, left to right) Bonnie Zornow and Barbara Schmidt. In a natural setting, individualized gardens will cover five acres of ground surrounding the Morrison Horticultural Center. Millions of spring blossoms will be featured throughout the show site. Pasadena event is Southland's oldest flower show.

Gas Company Workers Have New Contract

A new one-year contract incorporating a 5 per cent general wage increase was signed last week by representatives of the International Chemical Workers Union, A. F. of L., and Southern Counties Gas Company.

International Chemical Workers Union represents Southern Counties Gas Company employees in the operating area of Sierra Madre.

Also included in the new wages and working conditions agreement is a provision for promotion increases and some inequity adjustment which will in effect bring the total wage increase to over 5 per cent, according to Frank Roe, local manager of Southern Counties Gas Company.

LEGAL NOTICE

NOTICE OF PUBLIC HEARING BEFORE THE PLANNING COMMISSION

NOTICE IS HEREBY GIVEN that Foothill Jewish Community Center has filed with the Planning Commission of the City of Sierra Madre an application for a proposed variance to erect an addition to the present building, to be used for Sunday school or other religious purposes, on Lot 25, Excelsior Tract Sierra Madre, California.

That pursuant to the provisions of Ordinance No. 391, of the City of Sierra Madre, the Planning Commission at a regular meeting held on March 26, 1953, fixed Thursday, April 23, 1953 at the hour of 8:00 o'clock P.M. in the Council Chamber in the City Hall of Sierra Madre as the time and place for holding public hearing upon said application.

The application for variance is based upon the grounds that there are special circumstances attached to the said property which generally do not apply to other property in the same district; that the granting of a zone change as aforesaid will not result in a material damage or prejudice of other property nor be detrimental to the public welfare or injurious to persons in the vicinity thereof.

Dated: March 26, 1953.

Scanning the Sports Scene

With BOB BRAGGER

It's a good thing that Wilson doesn't rely on Sierra Madre baseball talent as much as Marshall does.

The reason being that all the athletes go to Marshall, except for Billy Dane and David Rondeau. Both boys are on the Wilson "B" team.

As you probably can tell, the crazy guy who writes this column attends Marshall. Or doesn't it sound like I'm slightly prejudiced?

These two boys and one other, Johnny Douglas, are the only fellows we know who go out for sports at Wilson. Johnny usually goes out for a lot of sports, but did not encounter the baseball field this year.

Billy was quite an outstanding boy when he went to Sierra Madre School. He was president of the student body and was one of the top athletes. Billy is now a 9th grader, and has kept up his great work all through school.

David, who is quite a ball player himself, pitched a game for the "B" team in the Easter League. He is not a regular pitcher; they use him mostly for relief roles. He is a 9th grader whose favorite position is second base.

No, Marshall is not fortunate in having all the Sierra Madre athletes!

One day during the 1949 season, Ewell Blackwell finally put a halt to Stan Musial's murderous long-distance hitting against Cincinnati by striking him out. Blackwell fanned him on a twisting pitch that broke so sharply and so low that the ball escaped Catcher Dixie Howell, as Stan scampered all the way to second base.

Manager Bucky Walters of the Reds emitted a gigantic sigh. "That guy is so good," he said, "that even when he fans, a team is lucky to hold him to two bases!"

BANKERS' DINNER

R. C. Lewis, A. E. Morgan, W. H. Ingraham and D. H. Allen represented the Bank of Sierra Madre at a recent dinner meeting of the Independent Bankers Association of Southern California in Los Angeles.

LEGAL NOTICE

NOTICE OF SCHOOL BOND

YWCA Classes Open to Many In This Area

YWCA spring classes, which began the week of April 6, will be open to YWCA members and program participants in Sierra Madre and greater Pasadena area. Those enrolling for YWCA classes come from as far as Glendale and West Covina, as well as the nearby communities, according to Mrs. Charles H. Siegel, 110 Bonita, publicity chairman and member of the Pasadena YWCA board of directors.

Supplementing the classes in gym, swimming, dancing, bridge, speech, sewing and other subjects which are offered each term, will be special classes in tennis, golf and archery, and a day-time course in Flower Arrangement, offered by Mrs. Fred W. Keith. Special spring bargains are also offered in combination courses, modern dance with swimming for youngsters, and plunges for employed girls right after work.

A rhythmic choir is another new program feature, under the leadership of Mrs. Mary McNeal, to give symbolic interpretation in gesture and body movement to poetry, music and spiritual ideals.

Men and boys are provided for, as well as women and girls, in ballroom dancing classes.

It's good Civil Defense to check your home regularly for such fire hazards as defective wiring, faulty chimneys and defective appliances.

title for the series is "Know Your Child."

Dr. Donald McNasser, professor of education at Claremont Graduate School, will deliver the three talks. Dr. McNasser came to California from Wayne University, Detroit, where he was a member of the eight-year study of the Progressive Education Association.

All lectures will begin at 7:30 p.m. and will be held in the M-D high school auditorium. The public is invited to attend free of charge.

were again overflowing the original school, the new classrooms and the grounds. We can in 1953 avert double ses-

sion by renting two classrooms available at the Foothill Jewish Community Center. Even now at the present school site, over 115 first grade children must play in an area as big as the cafeteria, only 73 feet by 80 feet.

New studies of our population increase make the old one look conservative. Sierra Madre's population should stabilize between 10,000 and 11,000 persons in 1958, according to the Pasadena Survey Report, available at Pasadena's Board of Education or Public Library. Even this does not allow for any development of subdivisions in the foothills north and east in the city, although such possibilities have already come before the City Council.

For a population between 10,000 and 11,000, the nationally accepted figures show that

there is an average public school enrollment of 1000 pupils!

* If a local district does not follow the recommendations of the State as regards adequate land space, direct responsibility rests upon the members of the local Board in case of a disaster of any kind. This is made clear to the local Board Members by a written communication to them from the State.

LEGAL NOTICE

NOTICE OF PUBLIC HEARING BEFORE THE PLANNING COMMISSION

NOTICE IS HEREBY GIVEN that Thomas P. and Blanche I. Buie have filed with the Planning Commission of the City of Sierra Madre an application for a variance to erect dwellings in the number of nine to 11, either separate or semi-detached, on Lot 48, Pinney Hotel Tract, located at 225 North Lima Street. That pursuant to the provisions of Ordinance No. 351, of the City of Sierra Madre, as amended, the Planning Commission of the City of Sierra Madre at a regular meeting held on March 26, 1953, fixed Thursday, April 23, 1953, at the hour of 8:00 P.M., in the Council Chamber in the City Hall of Sierra Madre as the time and place for holding public hearing upon said application.

The application for variance is based upon the grounds that there are special circumstances attached to said property which generally do not apply to other property in the same district; that the granting of a variance as aforesaid will not result in a material damage or prejudice of other property nor be detrimental to the public welfare or injurious to persons in the vicinity thereof.

Dated March 26, 1953.
By Order of the Planning Commission
David S. Wood, Secretary.

Inasmuch as tuberculosis is both preventable and curable, Dr. Chester C. Burski, district health officer, is encouraging everyone to make use of these examinations which offer one of the best ways to control the disease, ranked as the seventh greatest killer in the United States.

BRODHEAD HOME PICTURED

Mr. and Mrs. James Brodhead, formerly of Sierra Madre, were subjects of an article in "Home Magazine" last Sunday, along with their four daughters, Ann, Wendy, Suzie, and

Carol. The Brodhead home in Highland Oaks, Arcadia, was pictured with special attention given to what was named "The

Family Room." Other pictures included a close-up of Brodhead, who is a builder, at his desk.

You don't have to be a claustrophobe to appreciate the wide-open roominess of modern streamliners. Nobody likes to be cooped up, and on the train you have plenty of leg room and move-around-room. There are places to go on streamliners—to the Dining Car or Coffee Shop, or to the Lounge or Tavern Car for refreshment or recreation. And, of course, there's plenty of room for your baggage. Remember, when you're going any place, that there are no finer streamliners than the Southern Pacific "name" trains listed below.

Chair Cars on Southern Pacific's modern streamliners are built with your comfort the first consideration. Dust-free, draft-free air-conditioning. No glare fluorescent lighting. Cloud-soft foam-rubber seats. Extra large windows. Feather-touch doors. Spacious washrooms. That's why Chair Cars on S.P. streamliners are the most luxurious form of all low-cost transportation.
